About Us

Asha International is a trading company importing and exporting a wide range of cosmetics, natural products, textile and fabrics and spices and dry fruits. Since 1992, we have been servicing our customers without ever compromising on quality. Some of the countries we are exporting to are Malaysia, Singapore, USA, UK, Japan, Hongkong and Dubai. Our clients include Top-op Ltd. (UK), Mydin Mohamed Holding Berhad (Malaysia), Hareh Enterprises (Pvt.) Ltd. (Singapore) and I & Z Books and Crafts (USA).

We take pride in being the lead exporter and representative for Al Khair Natural, Sarah Cosmetics Manufacturing, Continental Textile (Pvt.) Ltd. and Munaf International.

Sarah Cosmetic Manufacturing is one of the leading henna manufacturers of Pakistan. It was established in 1990 and since then it has never compromised on the quality of its products. The demand for its henna, kajal and other products has reached the international market as well.

With a wide range of colours available for all its products. you can rest assured that all the needs of your customers will be well-met.

PREMIUM NATURAL PRODUCTS

Al Khair's core belief is to help out individuals both physically and spiritually by providing them with pure and natural products. It has always believed in utilizing the richness of the Mother Nature and transforming them into premium healthy products.

Continental textile Pvt Ltd is an exporter and manufacturer of bath and home textiles. The company is well known for its high-quality textile products both locally and internationally. Its products range from towels and bathrobes to industrial clothing.

Started in 1972, Munaf international has emerged as a leading export concern for spices and dry fruits. It has been indulged in providing its customers with high quality and original taste of spices and dry fruits. Munaf international has a wide variety of spices and two categories of dry fruits to offer its customers.

Wabees supplies cold pressed oils that retain all of their flavor, aroma, and nutritional value. Their oil is created with oils which are low comedogenic and are less likely to block the pores of the skin. Furthermore, it is lightweight, fast absorbing and will not weigh down on the beard or make it feel greasy leaving a silky-smooth finish and providing nutritional value.

Islamic Items

Nothing inspires and enriches the soul like religion. Our objective is to provide customers with products that are not only beautiful but do not compromise on quality either. Hence, they can rest assured that what they purchase will make do for a sufficient time. We provide a range of islamic religious items including woven caps, tasbeeh, handkerchiefs, keffiyeh and ittar bottles.

Certifications

Tested for harmful substances.
